

GOLZARI HOLDINGS

NEW DISTRIBUTION APPLICATION FORM

Application Process

You have expressed an interest in becoming an official distributor of Golzar Tea products and services. All applicants must complete the Distributor Application Questionnaire (DAQ). The purpose of the DAQ is to assist Golzar Holdings, in making an objective assessment as to whether your application is appropriate to take forward for further consideration. The DAQ sets out all the information which is required by Arlinco in order to assess the suitability of your application in terms of your knowledge and experience of working within the Tea distribution, commercial standing, your company's financial viability, strategy and resource and your track record as a distributor of other organisations' goods and services.

All questions contained in the DAQ should be answered in full or, if not, reasons provided. Failure to complete all or part of the questionnaire without reasonable cause, or failure to provide sufficient narrative or comment where required, will result in your application being rejected.

Please note the application is an interactive PDF format and can be filled in and saved.
